Attackers pass the ball among team-mates, aiming to pass it to their bowler goaler. The bowler goaler scores points by bowling the ball and hitting the stumps. (Play in 2 teams of 4–6.)

**What you need**
- 1 ball, 10 marker cones
- 2 sets of stumps per game

**What to do**

**SETTING UP:**
- Divide players into teams of 4–6.
- Designate the bowler goaler area with 3 markers at each end.

**PLAYING:**
- One player from each team should be in the bowler goaler area.
- Attackers may take a maximum of 5 steps before passing to a team-mate.
- If the ball hits the ground, or is intercepted, the opposing team takes possession, and become the attackers.
- Attackers pass the ball to the bowler goaler in the designated area (where no other players can enter) who then bowls the ball at the stumps.

**Change it**
- Use either an overarm or underarm bowling action or roll the ball when bowling.
- Specify the type of pass the attackers must use e.g. overarm, underarm, bounce.
- Move the stumps closer to the bowler to encourage success.
- Vary the type of ball and target depending on the activity e.g. basketball and bin, football and goals.

**Safety**
- Try to avoid any contact between players.
- The ball cannot be taken out of the hands of a player.

**Ask the players**
- How can you increase your chance of intercepting the ball?
- When passing, how can you make it less likely that your ball will be intercepted?
- How do you communicate with your team-mates?

**Learning Intention**
*Bowler goaler* is a game that keeps players moving. The game develops fielding, bowling and teamwork skills.
